

Globally Proven Construction Solutions

Stockist PROMO February 2 – April 30 2015

Buy 1 Pallet of: 335 Premium Flexible Adhesive

Get **6 FREE BAGS!** of PERMACOLOR® Grout

ABOUT THE PRODUCT

PERMACOLOR Grout offers the maximum performance available in a cement-based grout, providing consistent colour and antimicrobial protection to resist stain-causing mould and mildew. PERMACOLOR Grout is easy to install – just mix with water. PERMACOLOR Grout is ideal for floors and walls in both interior and exterior installations. When you must use a cement-based grout, choose PERMACOLOR Grout.
