ABOUT THE PRODUCT

LATICRETE Glass Tile Adhesive is a non-sag, polymer fortified thinset adhesive that is specifically formulated for use for glass tile applications. LATICRETE Glass Tile Adhesive has great workability and produces an ultra white finish that enhances the look of glass mosaics, glass tile, and any translucent tile or stone. In addition to containing antimicrobial protection, LATICRETE Glass Tile Adhesive is GREENGUARD certified for low VOC. LATICRETE Glass Tile Adhesive can also be used for the installation of porcelain or ceramic tile and stone.

Conditions apply. In order to receive the free 1 pallet of LATICRETE Glass Tile Adhesive, the 2 pallets need to be purchased and delivered at the same time. For a limited time only.
